

# Easily Weigh Anything

## EZweights™ Commodity Tracking System

EZweights will simplify weighing your harvest, outside deliveries, and your own shipments. You take control of tracking anything you can weigh by providing a simple touchscreen experience for truck drivers and a powerful reporting system for your office.

- Automate unattended deliveries by using a self check-in kiosk
- Take the headache out of deliveries and harvest
- Keep your operation secure
- Keep commodity deliveries and shipments accurate
- Integrate commodities with EZfeed or track them alone in EZweights

A blue Freightliner truck with a large load of hay on its trailer, stopped at a weighing station. The truck has a license plate that reads '2B228'.
