

ProManure, the manure management solution

For professionals with a little dirt on their boots

engineering for
a better world

gea.com

A vertical photograph showing the lower half of a person standing in a field. The person is wearing light-colored trousers and a dark rubber boot. A fine mist or spray of particles is rising from the ground near the boot. The field contains small green plants, and the background is a blurred landscape with trees under a bright sky.

ProManure E2000
