Es una afección respiratoria que se puede propagar de persona a persona.

### What are the symptoms of COVID-19?

¿Cuáles son los síntomas del COVID-19?

Fever  
Fiebre

Cough  
Tos

Shortness of breath  
Dificultad para respirar

### If you are sick, to prevent transmitting your respiratory illness to others, do the following:

Si está enfermo, para prevenir una enfermedad respiratoria en los demás, haga lo siguiente:

Stay home if you're sick.

Cover your nose and mouth with a disposable handkerchief when coughing or sneezing, then throw it away.

Frequently clean and disinfect the objects and surfaces you touch.

Form emergency plans for your dairy in the event of an illness.

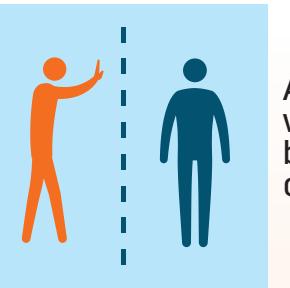

Quédese en casa si está enfermo.

Cúbrase la nariz y la boca con un pañuelo desechable al toser o estornudar y luego bótelo a la basura.

Limpie y desinfecte los objetos y las superficies que toca frecuentemente.

### What can I do to help protect myself and my coworkers at my dairy?

¿Qué puedo hacer para ayudar a protegerme a mí y a mis compañeros en la lechería?

Avoid close contact with sick people, both on and outside of your dairy.

Wash your hands before you eat after working in the milking parlor or other areas of the dairy.

When you get home after working in the dairy, always take a shower and wash your work clothes.

Avoid touching your eyes, nose and mouth if your hands have not been washed.

Always wear milking gloves.

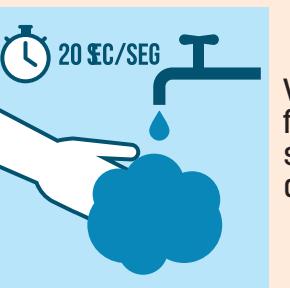

Keep tractors clean and disinfected.

Evite tocarse los ojos, la nariz y la boca si no se ha lavado las manos.

Utilice siempre guantes de ordeño.

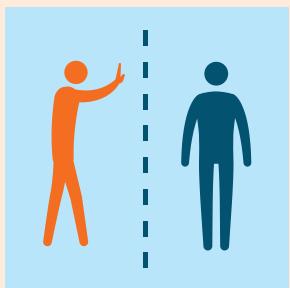

Mantenga los tractores limpios y desinfectados.

Wash your hands frequently with soap and water for at least 20 seconds.

Constantly change milking gloves.

Mantenga distancia social.
