

# COMPREHENSIVE INSURANCE DESIGNED FOR AGRICULTURAL OPERATIONS

As an insurance company founded by farmers more than 50 years ago, we exclusively serve the agriculture community. Day in and day out, we work with agribusinesses and understand the wide range of exposures that can happen. Our mission is to help farmers and agribusinesses access comprehensive insurance coverage at a price that fits your operation and budget.

## WHY AGRI-SERVICES AGENCY

We are your advocates – working to find the best insurance solution to help you minimize risk, protect your operation and secure competitive benefits for you and your employees.

- **Superior workers' compensation program:** We offer hands-on claims management, interactive on-farm training, loss control services and a generous dividend program
- **Nationwide coverage:** We offer coverage through our own insurance programs and work with A-rated carriers across the country
- **Affordable options:** Our suite of options allows us to develop tailored plan structures to find efficiencies and costs savings
- **Accessible and personalized service:** From our initial on-site visit to interactive training and enrollment meetings, we offer personalized support with 24/7 live customer service and agents across the country
