Over-all-Height	10' 9" + 24" Folding Extensions	10' 9" + 24" Folding Extensions

TRI-AXLE TRAILERS

CARRY YOUR LOAD WITH TRI-AXLE STRENGTH

The three axles distribute weight more evenly, reducing soil compaction and providing better traction on uneven terrain... the Tri-Axle option is a smart choice for farmers looking to optimize their harvesting operations and improve overall productivity.

Increase load capacity and stability, allowing you to transport larger quantities of forage efficiently.

MAXIMUM Capacity, MINIMUM Effort
